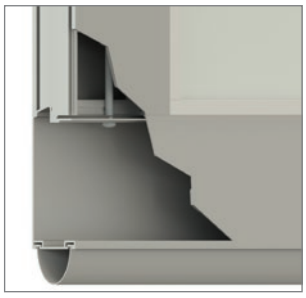
KEY FEATURES

INSULATION

Optional insulated section rails are available providing additional thermal protection for your garage space.

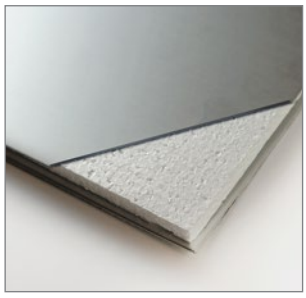
BULB SEAL

Integrated bulb seal eliminates air and water infiltration keeping your interiors protected from the unwanted elements.



SECTION CONSTRUCTION

Rail and stile sections are assembled with through bolts for added strength and longevity.



SECTION PANELS

Polystryrene insulation available for solid sectional panels.

Enjoy the view but keep the noise out!
C.H.I Full-View Aluminum doors have been tested and certified for an STC (sound transmission class) Rating of 27.
